ENGLISH PLUS GOLF

New Zealand is one of the top countries in the world for having an abundance of golf courses!

With our English plus Golf package, you're bound to enjoy the 30 or more spectacular golf courses Auckland has to offer.

You'll study English in the morning with six afternoons of individual golf tuition by a professional golfer! In addition, you'll benefit from the two and a half hours of practice time at the Golf Driving Range, just what you need to refine your skills!

Make the most of the regions best golf courses on your free afternoons. Why not loose yourself in Auckland's legendary course Formosa with its spectacular views of Rangitoto. Designed by Bob Charles, it is the longest course in New Zealand!

Or play in Whangaporoa Peninsula on a cliff top course, designed by Robert Trent Jones _, considered by many to be the world's finest designer of classic golf courses!

On the weekend, you'll have the opportunity to challenge yourself with a game of golf alongside a professional, while at the same time perfecting both your English and golf technique.
