KIWI HOMESTAY EXPERIENCE

Our Kiwi Homestay Experience package gives you the opportunity to live with a native host family, where you'll improve your language skills as well as learn a new culture!

Here, you'll not only experience a different lifestyle but you'll also gain a deeper understanding of the New Zealand people and their culture.

You'll arrive in the largest Polynesian city in the world, Auckland. Situated between two stunning harbours with 360 degree views to both the Tasman and Pacific Seas, it provides you with the chance to experience the perfect lifestyle!

You'll be personally greeted at the airport with a warm welcome by one of our staff, where you'll be transferred directly to your host family's residence.

On arrival, you'll receive a personal introduction to your new family members as well as a guided tour of the house.

Overall, you'll be truly amazed not only by the relaxed and laid-back lifestyle of the Kiwi people but also by their extreme friendliness and great hospitality!

Note:

- Every effort will be made to find a suitable host family who matches your individual homestay requirements.
- For more information and homestay guidelines, please refer to Lessonz Abroad terms and conditions (section 12)
- If you wish to commence English language studies, please contact us for our free language school placement service.
