With the Kayaking package, you'll not only have the opportunity to improve your English and kayaking skills but you'll also discover the incredible marine life and spectacular natural beauty unique to New Zealand.

You'll spend the first three hours every morning in the classroom, where you'll quickly improve your English conversation and grammar skills.

Afternoons are spent nearby on the beautiful Auckland harbour, where you'll enjoy two hours of sea kayaking practice with an additional hour of kayaking instruction by a professional teacher.

With the Hauraki Gulf at your doorstep, you'll have ample opportunity to practice your new paddling techniques!

Auckland offers you a relaxing day out on the water, with plenty of idyllic inner islands and secluded bays to explore.
