KIWI KIDS (14-17 years)

Our Kiwi Kids Package gives your child the opportunity to learn a foreign language with the advantage of experiencing a different lifestyle and culture!

The school campus is located within 10 minutes north of Downtown on Auckland's beautiful North Shore. Popular for its relaxed lifestyle, sandy beaches and above all safety, North Shore provides your child with a comfortable and secure learning environment.

Home-stay accommodation is located within a short distance from the school. It provides your child with an opportunity to interact in English conversation daily and also to participate in typical New Zealand family activities and outings. Living with other children from the family will provide all the friendly companionship they need to settle into New Zealand lifestyle with ease.

Our full-time Kiwi Kid's package will help to develop your child's basic language skills such as grammar, reading and listening and communication, as well as helping them gain confidence in English fluency.

Our Kiwi Kid's Activity Package allows your child to learn English with additional cultural and sports activities. They will study General English in the mornings, with an exciting afternoon of excursions and various fun activities, including ice-skating, bowling, archery, kayaking and carting!

Whether your child is joining the full-time or part-time activity programme, they are sure to have fun, meet new friends and above all, have an overseas experience they will never forget!
