WORKING HOLIDAY SUPPORT

Take advantage of our Working Holiday Support package, where you'll have the freedom to choose whether to travel, study or work in New Zealand!

With one of the lowest unemployment rates in the world, New Zealand can provide you with exciting job opportunities where you'll be able to utilise your skills in a multicultural environment!

You'll arrive in New Zealand's most cosmopolitan city Auckland. Often voted for being one of the world's best lifestyle cities, it is a world traveller's paradise entwined with a unique blend of European and Polynesian culture.

You'll spend your first week living with a New Zealand host family. Here, you'll have the opportunity to practice your English conversation skills as well as experience a different lifestyle and culture!

Lessonz Abroad team will assist you during this week with job seeking advice and information, including the writing of a CV, workers rights, employer's responsibilities, wages and taxes.

In addition, we will provide you with information to support your new lifestyle, on such things as finding an apartment, renting and flatting as well as opening of bank accounts and foreign exchange.

Note:

- Please provide us with your CV before arrival in New Zealand.
- Your Working Holiday Visa must be obtained before arrival in New Zealand.
- If you wish to commence English language studies, please contact us for our free language school placement service.
